

Home Learning 2023-2024 - Overview

KS3: Core Subjects set weekly on a Monday. Other subjects set once every three weeks in rotation (as below).

KS4: English & Mathematics set weekly on a Monday and Science(s) on a Tuesday. Option subjects set once every two weeks in rotation.

All students have a Knowledge Organiser for each term; **Homework** should link to the Knowledge Organiser rather than specific lessons and is focused on embedding knowledge through regular revisiting and spaced learning which 'challenges the forgetting curve'.

	Year 7		Year 8		Year 9		Year 10	Year 11
Monday	English/Mathematics/Science [set every week]						English/Mathematics [set every week]	
Tuesday	Week 1 Week 2 Week 3	BVT Art CT	Week 1 Week 2 Week 3	CT BVT Art	Week 1 Week 2 Week 3	Art CT BVT	Science (s) [set every week]	
Wednesday	Week 1 Week 2 Week 3	Geography Drama MFL	Week 1 Week 2 Week 3	MFL Geography Drama	Week 1 Week 2 Week 3	Drama MFL Geography	Week 1 Week 2	Option A* Option C*
Thursday	Week 1 Week 2 Week 3	History Music Technology	Week 1 Week 2 Week 3	Technology History Music	Week 1 Week 2 Week 3	Music Technology History	Week 1 Week 2	Option B* Option D*
Friday	Additional Homework eg: PE/PSHCE/Literacy/Competitions							

Teachers will communicate work using ClassCharts and either attach work or direct students to the appropriate resources eg: RMUnify, Google Classroom or Loom.

**In years 10&11, there may be some variation with options subjects depending on the timetabling of practical & theory lessons.*
