## YEAR 10 HOSPITALITY AND CATERING SCHOOL TRIP TO MOOLTAN BARRACKS

On Monday, our Year 10 Hospitality and Catering students had the opportunity to visit the kitchens and catering facilities at Mooltan Barracks, part of Tidworth Military Camp. We were hosted by Food Services and Catering giant, Sodexo, who took us through every part of their huge operation at the barracks. Sodexo run 13 military catering facilities from Warminster to Aldershot and have Apprentice Chef vacancies for school leavers.

The Head Chef, Matthew Spencer, showed the students what a real-life hot plate team briefing looked and sounded like. This detailed the menu for the day (which changes every single day on a 28 day rotation), the prices, the elements that each meal comprises of, recommended portion sizes and allergen information.

We were then led on a tour of the backstage area by the Catering Manager, Vanessa Newton. Students were able to look at the food storage areas, industrial fridges and walk-in freezers. We learnt about how important the due diligence process is within professional catering to keep food safe and consumers healthy. This included information about temperature checking and traceability of food coming into the building in case there are ever any issues for customers.

Sodexo's professional kitchen really opened the student's eyes to the scale of cookery required for this amount of people. We saw a potato rumbler, vegetable slicer, and a salamander grill. These are all pieces of large scale machinery used on a daily basis in the kitchen to increase the efficiency of staff when serving large numbers of military personnel each day. Students were also shown a water boiler that could boil 180 litres of water in 40 minutes!

Everything that the students saw today directly relates to the module that they are currently studying at school and could be a part of their GCSE exam next year.

We would like to extend a huge thank you to Sodexo and Mooltan Barracks for allowing us to visit. Specifically our thanks go to Paul Preston (CRL Support Manager – Sodexo), Pete Evans (Account Manager – Sodexo), Matthew Spencer (Head Chef), Vanessa Newton (Catering Manager) and all of their team at from Sodexo at Mooltan Barracks.

More information on the Apprenticeship opportunities at Sodexo can be found [here](#).
