

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

28th June is Armed Forces Day. It is a chance to show your support for the men and women who make up the Armed Forces community: from currently serving personnel to Service families, veterans and cadets. If you're thinking of joining the Armed Forces in the future, check out the cadets and find your local group. You can read more about different Armed Forces Careers here: RAF, Army & Navy.

Futurelearn offers short online courses to build on your current interests, experience university-style learning or introduce yourself to potential future interests. There are fascinating courses on everything from Business and Management to Creative Arts and Media, from Nature and Environment to Study Skills.

Coursera is another website offering online courses in partnership with over 350 leading companies and universities. Not only might these open up new areas of knowledge, but they could also give you expertise to draw on for your University Personal Statement or Apprenticeship Applications.

UK-TEFL offers a Level 2 Certified Learning Course in TEFL (Teaching English as a Foreign Language) for 16-18 year-olds. Fully online, the course gives you 180 days to complete the self-paced 120-hour programme. You'll study using lots of interactive learning elements including: presenter-led videos, narrator-led videos, matching and sorting activities, galleries, flipbooks, tasks, and concept checking quizzes. All students receive dedicated support from UK-TEFL's advisors with finding work. This online TEFL course is ideal for 16-18-year olds looking to:

- Travel the world after school teaching English
- Earn while gaining valuable life experience
- Boost their university applications or CVs

JOB OF THE WEEK

Ethical Hacker

They are a cybersecurity professional who is legally employed to test and improve an organisation's security systems. They use the same techniques as malicious hackers but with permission to identify and fix vulnerabilities.

Watch the video to learn more about how much you could earn, working hours and pathways into the industry.

LABOUR MARKET INFORMATION FACT

In the most recent Youth Voice Census, the top three skills that students think are most important for work are 'communication' (70%), 'teamwork' (56%) and 'problem solving' (33%). The skills they are most confident in are listening (70%), creativity (63%) and problem solving (62%).

ALUMNI - KEEP IN TOUCH!

The Trafalgar School at Downton prides itself on having helped to launch the career of many of our alumni (former students). We have found that involving our Alumni in events and the curriculum is the perfect way to inspire students and encourage them to think about the future. Alumni can share their experiences after Trafalgar and offer advice and guidance to current students and we hope that by taking part, alumni find it a rewarding and useful experience for their own career enhancement.

We are hoping to build our Alumni group, and we encourage former students and staff to get in touch. Every story is important to us, whether you have stayed local or ended up further afield, we want to hear about your education and careers journey.

Click on the picture below to complete a short Google form to feature your story in our new Alumni brochure.

If you would like to get in touch with our Careers Team about Alumni please either visit our website [here](#) or you can email us: alumni@trafalgar.wilts.sch.uk

LOCAL APPRENTICESHIPS SPOTLIGHT

"Content Creator
Apprenticeship, Wessex
Fleet, Salisbury.

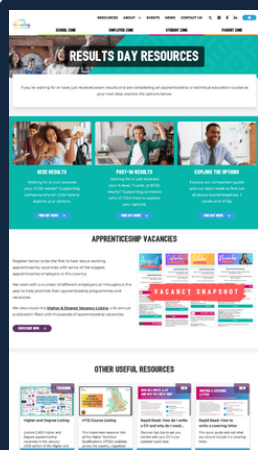

Are you passionate about storytelling, social media, and digital content? Wessex Fleet is looking for an enthusiastic and motivated Content Creator Apprentice to join their growing marketing team.
