WSE & S6C SPORTS ACADEMY ASSEMBLY

Today Adam Jones, Director of Sport, visited Trafalgar to talk to our Year 11 students about the Wyvern St. Edmunds and S6C Sports Academy. They gave an inspirational talk about the Sports courses available at S6C plus the opportunities that are available in their Football, Rugby and Netball Academies.

S6C is a college that will give you the chance to be independent with your study and time management. They offer a variety of Sports courses, including CTECs and a new A-Level in Physical Education. For the A-Level, you are only required to have one sport specialism and it is assessed by 40% practical assessment and 60% formal examination.

Part of the extended offer at S6C includes the WSE & S6C Sport Academies, comprising of Football, Rugby and Netball Academies. These are run by professional sports coaches who have links with local clubs. You will train 3 times a week and receive a Sports Academy uniform that you can wear with pride on game days. All sport academies have an excellent winning record; the Rugby Academy has currently won 5 out of 6 games! You don't need to be studying a sports course to be a part of the sport academies, so anyone can take part and there is also a fitness suite if sports clubs aren't your thing.

The official deadline for applications to S6C has passed, but you can still put in an application and it may be considered. For further information please head to their [website](#).
