'STUDENTS IN BUSINESS'

Last June, our Year 8 students took part in some incredible visits to local businesses that were within walking distance of school. As part of these visits, students heard from employees and business owners about industry information, their day-to-day job, and we were even given tours of stockrooms and office spaces. Students were able to gain a real insight into what it would be like to work for these businesses.

This year we will be using the same format and would love local businesses to get in touch if you would like to take part and host a visit. Please email l.krzyzosiak@trafalgar.wilts.sch.uk to support the school with this amazing initiative.
