

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are <u>underlined</u>.

OPPORTUNITIES

Take a look at <u>Engineering Development Trust's programmes</u> that help you to learn more about STEM careers, the skills you need to succeed and how you can access different job roles. There is a free programme (scroll to the bottom of the page) but some are paid for, please contact EDT if you feel you may be eligible for a bursary funded place.

EDT also have <u>paid work placements</u> in the STEM industries. You will gain invaluable experience working in industry, develop their skills and knowledge, and boost their future employability.

<u>Discovering Durham University</u> is a podcast show run by students. The marketing team asked students what their most important issues were when considering the University, and they came up with five episodes.

Explore 2,400 Higher and Degree apprenticeship vacancies in the <u>January 2025</u> edition of the <u>Higher and Degree listing</u>. Discover vacancy details from over 80 employers, including locations, salary information and direct application links. The Higher & Degree Listing is a bi-annual publication, with the next release due in October 2025.

This blog shows <u>how at risk the top 20 jobs in the UK are of Al Job Displacement</u>. From Administrators to Nurses to Programmers, take a look & see what risk score each role has!

Take a look at this <u>webpage full of different job roles</u>! Click on each one to enlarge it and read more.

<u>Hire Ahead</u> is a new apprenticeship search platform. We are not sure why there are so many, it is hard to keep up! However, it is good to know about all of them to ensure you are seeing all the opportunities available.

If you have any questions or need support, please email l.krzyzosiak@trafalgar.wilts.sch.uk

JOB OF THE WEEK

<u>Investment</u> Banker

Investment bankers are financial advisors for corporations and other large organisations. Investment bankers often help companies and other entities raise or borrow money for expansion and improvement.

Watch the video to learn more about how much you could earn, working hours and pathways into the industry.

LABOUR MARKET INFORMATION FACT

According to The
Student Room, over
40% of their forum
members now actively
consider a degree
apprenticeship
alongside traditional
university study. But
university is still viewed
as "more fun."

OPPORTUNITIES

urfuture have <u>built a new app</u> that helps you to connect with employers. The app has not replaced all employer's recruitment processes yet (maybe one day!) so it's not quite time to ditch the CV just yet. We just want to ensure you're aware of all the platforms and support systems in place to help you on your journey.

"Right now, you might have just finished school, the sun is shining, and the last thing you want to be doing is stressing about your future career. That's why we're here: to help make this summer your best one yet, just by signing up to <u>our Talent Community</u>. By joining our Talent Community, you'll be one of the first to know about our 2026 Apprenticeship opportunities. At KPMG, we offer Apprenticeship programmes in areas like Audit, Tax & Law, KPMG Business Services, Technology & Engineering and Consulting, where you can make the difference to businesses and communities."

Here are a few websites that you can use to find university open days:

- UCAS
- OpenDays.com
- <u>UniTasterDays</u>
- The individual university's websites

If you need help deciding which university/course is right for you, this guide from UCAS will prove useful and this <u>list of 20 things</u> you can compare may also help your decision making.

If you speak a second (or third or fourth...) language, you may be way ahead in terms of your cognition. But did you know it can also help you get ahead in your career? Being bi-lingual or multilingual are significant in terms of everything from pay and performance to your thinking and your relationships. You can read more about this here.

In next week's newsletter, we'll be giving you a challenge per week that you can do over the 6 week break to help prepare for your future!

If you have any questions or need support, please email l.krzyzosiak@trafalgar.wilts.sch.uk

YEAR 8 ASK APPRENTICESHIPS AWARENESS ASSEMBLY

This week it was the turn of Year 8 to attend a virtual ASK Apprenticeships Awareness Assembly delivered by The ASK Programme.

Mike from <u>ASK Apprenticeships</u> spoke to the students about what apprenticeships are and the other post-16 options available to them, including T-Levels. He gave students an overview of the opportunities available, the different sectors and levels that they could do and also introduced students to higher and degree apprenticeships.

Students also heard from P-Chez Smith-Tyrell who is currently a Level 3 Apprentice studying Business Administration. This gave students a real-life insight into what completing an apprenticeship can actually be like.

Alumni - we need your help!

We are hoping to build our Alumni group, and we encourage former students and staff to get in touch. Every story is important to us, whether you have stayed local or ended up further afield, we want to hear about your education and careers journey.

Click <u>here</u> to complete a short Google form to feature your story in our Alumni brochure.
