## Home Learning 2022-2023 - Overview

**KS3:** Core Subjects set weekly on a Monday. Other subjects set once every three weeks in rotation (as below).

**KS4:** English & Mathematics set weekly on a Monday and Science(s) on a Tuesday. Option subjects set once every two weeks in rotation.

All students have a Knowledge Organiser for each term; **Homework** should link to the Knowledge Organiser rather than specific lessons and is focused on embedding knowledge through regular revisiting and spaced learning which 'challenges the curve'.
