BROCKENHURST COLLEGE ASSEMBLY

At The Trafalgar School at Downton we want to ensure that all Year 11 students have an awareness of every Further Education provider available to them. Our Careers assemblies support this work and today we welcomed Brockenhurst College. Steve Jenkin, Assistant Principal, took us through why Brockenhurst College might be the place to "...discover your route to success!"

Brockenhurst College is set in the beautiful location of The New Forest and is just a 5 minute walk to Brockenhurst village. It is easy to get to via a network of 14 dedicated bus services, one of which goes through Downton, plus there is the option of train travel from Salisbury.

There are 3,000 students on role who have the choice of over 43 different subjects at A Level and 30 different subjects for vocational courses. The subjects run from the more traditional Maths, English, and Sciences to Animation, Beauty, Electronics and Criminology. The teaching staff are all experts within their field; the Performing Arts lecturer also does the sound and lighting at the Glastonbury Festival and the Dance Teacher performs on Broadway!

There are many incredible enrichment opportunities including a Brock2Kenya humanitarian project, supporting the running of the college newspaper and Business Enterprise activities; there will be something for everyone. All of these opportunities, both educational and enrichment, are supported by a strong pastoral team who want to give you the right emotional and wellbeing care possible in order to fulfil your potential.

Their next open day is in May 2024, however, you can book a tour at any point. Deadline for applications is Friday 1st March 2024, so if this is the college for you, start applying now!
